## TRAINING

I am constantly striving to improve and excel upon my current skillset,  
I have completed over 30 courses by fully authorized training centres such as;  
Autodesk Learning Centre, The Gnomon Workshop, Digital Tutors and Fxphd.

## RESOURCES

At the moment I am running on an Intel quad core extreme 3ghz processor, using 8gb ram on win xp 64bit.  
I also have a HP Elitebook 8530w and I can't work without my wacom tablet.  
(I can handle, process, edit and export Red Camera footage from my workstation or laptop)
